Fatality vehicle accident being investigated by La Porte Police

On Saturday, January 24th 2015, a three-car motor vehicle accident along La Porte's Fairmont Parkway at Canada Rd., minutes after 10 a.m., resulted in the death of a 21 year-old female driver from Deer Park, TX. A broken arm was also sustained by another motorist involved, however, the entire accident is under further investigation through a joint effort between accident reconstructionists representing La Porte Police Department and the Harris County Precinct #8 Constables office.

According to witness information, and preliminary reconstruction efforts, the accident occurred minutes after 10 a.m., as a Chevrolet Corvette travelling westbound on Fairmont Parkway entered the intersection at Canada Rd., striking a Honda Accord already crossing the intersection northbound along Canada Rd. As the vehicles collided and began drifting in a western direction across the intersection, they made contact with a Ford Fusion traveling southbound along Canada Rd @ Fairmont Parkway. Contact from the third vehicle, Ford Fusion, caused the Corvette and Accord to separate, whereupon the Honda came to rest along a sidewalk at the northwest corner of the intersection, the Corvette in the northwest section of the intersection, while the Fusion was redirected southwest, eventually coming to rest in the ditch line along the north side of the Fairmont median.

Other agencies either responding or involved on the January 24th accident included the Harris County Vehicular Assault Team, Medical Examiner's office, and District Attorney's office. Extensive investigative efforts have already been dedicated to the case and the complete analytical process remains ongoing. Charges are pending at this time.
